

**Eleanor D Sims memorial
FREE BRAKES FOR FOOD drive**

**JOIN JC Car Care & Tire in a food drive every September to benefit the
Powell Terrace Food Pantry**

Bring a Grocery Bag (or 2) FULL of Food during the month of September and get

FREE BRAKES

We are offering a FREE brake inspection, FREE brake pads or shoes (most cars), and FREE installation of the pads or shoes during the month of September.

What does FREE mean?

It means:

We will inspect your brakes and provide you with a complete evaluation sheet of the brake system and vehicle for **FREE**.

The brake pads or shoes are **FREE** (most cars).

The installation labor is **FREE**.

We could not do this without the help of our supplier. NAPA Auto Parts has agreed to give us the brakes and we will give you the labor. We are not cutting corners or getting some cheap stuff from a discount place for this promotion! These are high quality ceramic brake pads made by Wagner - the same brake pads we offer every day and they come with a 12 month - 12,000 mile warranty. We take great pride in our work and will not jeopardize quality or your safety.

To participate, just call and make an appointment for your free brake inspection. Show up with at least 1 full bag of non-perishable items for the **Powell Terrace Food Pantry**. If you need brakes, we'll replace the pads for free and you pay only for the parts and labor on other needed parts. This means the average person will save about \$100-\$150 on a brake job!

What is not free? You may ask:

Any other parts or labor that might be needed, for example: replace or machine rotors, replace brake hoses or wheel cylinders, replace calipers, service caliper slides and guide pins, brake hardware, flush brake fluid, repair parking brakes and so on.

We have been keeping families safe since 1987 and if there are other components needed to make your brake system safe, they will need to be purchased and installed at the time of the free brake service. We can not jeopardize your safety or our business to do otherwise. If there are other needed repairs and you choose not to do them we will be happy to give you your food back and you will have received a free brake inspection.

Our schedule is going to be very, very full so please call in advance at 636-928-5150 South Shop or 636-946-5707 North Shop.

Even if you think your brakes are OK, call us so we can inspect them for you for FREE - And most importantly;

PLEASE help us support our neighbors in need by bringing us food!
Please help us help those in need

Our Goal is 2000 Lbs!

P.S. This food drive will help many people tremendously! And will help you! Just bring in a bag of non-perishables and get FREE brakes.

P.P.S. I assume that we are going to be very, very busy so call ahead of time to reserve your FREE brakes right away.

P.P.P.S. This free brakes - food drive expires on September 30th, so don't delay – call today.

Note: * This Promotion applies to most cars and light trucks. ** No other coupons or discounts will be accepted.

All food collected will go to the
Powell Terrace Food Pantry
704 Boone Ave, St Charles MO 63301
